

## Extended Illness Status Information

- An employee can be placed on extended illness status up to a maximum of 5 years.
- While on EIS you retain and continue to accrue seniority. You do not accrue other benefits sick leave, vacation, holidays, et cetera, except that for an occupational illness/injury you accrue vacation credit.
- Contact your Local to get withdraw card and update contact information.

IBT Local 856 1-(650) 635-0111

IBT Local 986 1-(626) 350-9860

- Insurance coverage can continue for 24 months. Contact the Employee Benefits Service Center to arrange payments that would normally be deducted from your paycheck and get benefit information. 1-(800) 651-1007.
- Payroll deductions stop. You may need to contact debtors to arrange payments.
- Contact your supervisor to use any travel privileges.
- Keep United updated on your address, contact information and medical status.
